Request for Purchase Approval

Item to be purchased: Spillman IBR (Incident Based Reporting System)Module

Sheriff's Recommendation: To Purchase it from Spillman

Account Name and Number: 16-101-09-52700-999-008

Governing Committee: Judicial and Law Enforcement

Governing Committee Approval Date: July 13, 2016

Property and Insurance Approval Date: September 6, 2016

Reason for Purchase: Uniform Crime Reporting in the nation is being updated to National Incident Based Reporting. Almost 50% of the Counties in Wisconsin are using WIBRS. It will be mandated by 2020. The Wisconsin Spillman User Group received a 20% group discount from Spillman if purchased this year. Payment can be made in 2017. Since it will be mandated and we are receiving a discount it would be a prudent purchase at this time. Spillman is the Sheriff's Office Records Management System. It is the computer system that runs all facts of the Department, from Jail to CAD to Civil Process and Records. This is a software module that will become part of that system.

Bid Information each: Spillman – Sole Vendor \$18,726.00

Request for Purchase Approval

Item to be purchased: Security Electronic Computer Upgrade

Sheriff's Recommendation: To Purchase it from Accurate Controls

Account Name and Number: 16-100-09-52700-810-000

Governing Committee: Judicial and Law Enforcement

Governing Committee Approval Date: July 13, 2016

Property and Insurance Approval Date: September 6, 2016

Reason for Purchase: The software for the Security Electronics is being completely rewritten and our software is no longer supported. Our software and computer hardware has seen its life expectancy. It is intermittently failing by not always properly opening and closing jail doors. If not replaced a serious security and safety risk could be incurred. They are the sole vendor as there have been many issues with electronic jail equipment in the jail installed by a different vendor when the jail was built. Accurate Controls, from Ripon, has done all of the repairs and subsequent upgrades on the equipment since 2013. They are very knowledgeable and have a quick response time. Repairs are done efficiently and effectively. With one solve vendor there is no argument as to whose problem it is to fix something.

Bid Information each: Accurate Controls – Sole Vendor - \$17,983.58

Request for Purchase Approval

Item to be purchased: Armor and Sniper Platform for SWAT Vehicle

Sheriff's Recommendation: To Purchase it from Execarmor

Account Name and Number: 16-101-09-52150-999-003 - \$26,900
To be determined by Finance -\$50,000

Governing Committee: Judicial and Law Enforcement

Governing Committee Approval Date: August 10, 2016

Property and Insurance Approval Date: September 6, 2016

Reason for Purchase: The purchase of the Sheriff's Office new SWAT vehicle was reviewed by the SWAT Commander and Sheriff and it was recommended to include a sniper rifle platform and armor the SWAT vehicle for the protection of its members when they are deployed. The \$50,000 that is initially being paid from contingency will be paid back to contingency from Squad and Squad Equipment Committed Funds in installments of \$25,000 in 2017 and \$25,000 in 2018.

Bid Information each:	Execarmor	\$76,900.00
	International Armored Group US	\$98,750.00

Request for Purchase Approval

Item to be purchased: LiveScan desktop for Booking

Sheriff's Recommendation: To Purchase it from MorphoTrak

Account Name and Number: 16-100-09-52700-999-008

Governing Committee: Judicial and Law Enforcement

Governing Committee Approval Date: August 10, 2016

Property and Insurance Approval Date: September 6, 2016

Reason for Purchase: We are required to send fingerprints of persons charged to the State, both for persons in custody and those who are not in custody. The LiveScan machine we use for non-custody bookings is located between the two courtrooms. It is very old, the technology is out of date and it is no longer supported by the vendor, MorphoTrak. The unit in the jail will be rotated upstairs and this unit will replace the jail LiveScan.

Bid Information each:

MorphoTrak	\$7,862.00
Suprema Real Scan	\$7,900.00

MorphoTrak's on-going commitment to customer satisfaction and the delivery of the highest level of support in the industry is demonstrated by our placing resources in the field near the customer to provide on-site customer support.

MorphoTrak LiveScan Stations include a 1 Year on-site warranty for both parts and labor. Should Green Lake County report a problem, MorphoTrak will dispatch a MorphoTrak Representative from our Madison, Wisconsin office to go on-site to resolve the problem as opposed to other vendors who send a "box with a replacement part". We send a highly trained support representative to provide problem resolution. This ensures that Green Lake County staff members are not burdened with the added task of "parts replacement".

Due to the mobility of the MorphoDents, the warranty is a 1 Year advanced exchange parts replacement.
