DEPARTMENT COMMENTS

Sheriff Podoll reported that Supervisor Traxler has heard rumors of concern that our shotguns were sold or buried. The Sheriff assured the Committee that the shotguns are still within the Department and that any rumors dealing with those comments are false. He also reported that there was a CERT call to the jail on Tuesday night with a cooperative resolve. Since the last meeting there was a shooting in the City of Berlin to which the Combined Tactical Unit responded along with Green Lake County Sheriff's Office upper management and deputies and personnel from the Winnebago County Sheriff's Office. There was great cooperation between all entities involved. The Chief Deputy reported that all of the emergency response equipment that the Judicial and Law Enforcement Committee has approved was used at some time during these two emergency situations. He thanked the Committee for their foresight and proactive position. The Sheriff also reported that at the same time the shooting occurred there were two funnel clouds reported in the Berlin area and a fire in Berlin. It was a very hectic time but through good planning, training and the cooperative efforts of everyone involved the situations were handled very efficiently.
