Sheriff Podoll,

I am writing with deepest appreciation and recognition for your agency's assistance during the recent unrest we experienced in Madison. The violence and property damage that occurred in Madison was unprecedented, and members of your department responded with the utmost professionalism and dedication during a very challenging time. Whether your agency assisted for one day or multiple days, the impact was noticed and appreciated.

I recognize that officers worked extremely long hours, possibly had rocks and projectiles thrown at them and were subject to unwarranted verbal abuse, all while trying to protect community members' First Amendment rights and maintain public safety. Please convey my thanks to these individuals for their assistance to MPD and to our community:

Chief Deputy Matthew Vande Kolk
Deputy Michael Prachel
Deputy Jeremiah Hansen
K9 Deputy Tyler Hoerig

If I have missed the name of a staff member (or misspelled a name) who assisted I apologize. The oversight is unintentional and I ask that you also convey my appreciation to them.

If there any matters that you wish to discuss from this incident please feel free to reach out to me. Thank you again for your agency's assistance.

Sincerely,

Victor Wahl

All,

I just received a call from Susan Melgaard, she owns the place on Judy Lane that we have house checks for over the winter. She took time out of her day to call and express her support for **all of law enforcement**. She said, "America has your back." She wanted me to express her appreciation for everything that you all do in support of the community and the people that live and visit here.

All,

This morning I was approached by a kind older gentleman at the Berlin Kwik Trip who wanted to let me/us know that he supports our agency and our positions. He told me that he supports the need and use of a SWAT team and supports and endorses the way our agency does our job to keep the community safe. He liked that we are an agency that stands up to crime and conflict and does what is right. This man knew the importance of a strong law enforcement agency and went on for a minute or 2 encouraging us to keep up the good work and that the community has our support. He wanted me to pass it on. He did mention he felt the same way about the Berlin PD. Scott can forward to your agency please.

Arrest Team,

Thank you very much for everyone's time and efforts yesterday. While our plan didn't unfold perfectly, the circumstances made for a lot more fun. As Brooks reminded me, I need to get out of the city more.

Green Lake team – I really appreciate your partnership. Thanks for all the extra time and resources you have invested into this case, including all of the after-hours surveillance that led up to the arrest. And, thanks for your accommodations at the office.

Hopefully we can do this again soon once we locate XXXX.

I have great respect for how your sheriff's deputies protect us from danger and lawlessness, as well as they have to think like psychologists and lawyers. You are our soldiers, willing to lose your lives, and you do all of that while facing the dangers of Covid-19. Believe me, I am only one of MANY Americans who think this way. Our office continues to run as smoothly, and efficiently, as possible during this challenging time.

I am currently working on the 2021 budget and will have a proposed budget to the County Administrator, and committee, prior to the August 11th meeting.

Other than the day-to-day activities in the Clerk of Court's Office, there is nothing further to report.

If you should have any questions, please do not hesitate to contact me.

Very truly yours,
