- c. Vandeyacht reported that the 2020 Fall CVSO conference was held in person, however, remote attendance was available and both Robin and he attended remotely. There were many important items that were trained on which is quite important, not just for maintaining accreditation but to keep up on all of the recent changes within the federal VA's appeals program (AMA)
- d. Vandeyacht discussed that due to CoVid Safe at Home order, the 2020 Student Government day was not held. Will see if 2021 will go forward and plan from there.

**New Business:**

- a. It was noted that the term of appointment of Shrock to the Service Commission expires in December. Shrock expressed interest in seeking reappointment for another

term. It was also discussed about possible replacement of Robert Mosolf who has not attended the last 3 meetings.

b. Vandeyacht reported that the 2020 WDVA Transportation Grant was submitted.

c. Vandeyacht reported that the Service Commission Aid/Grant funds were not in as high of a demand this year. The protections in place due to CoVid have negated the need for this assistance in 2020, expectations are that 2021 will be heavy in demand if protections are not extended by congress.

**Service Office Report:**

Vandeyacht reported that for 2020 as compared to the past 3 years; contacts were mostly the same if not less by a little. U.S. mail was almost nonexistent and VA hospital trips are down significantly due to limited appointments because of CoVid. Email and phones are the preferred communication by Veterans. Office Visits were down due to the CoVid Safe at home order. Final percentages will be calculated with the end of year report.
